Dear Grace Latt,

On behalf of the West Valley Food Pantry and all of the families we serve, we would like to extend our gratitude for your collection and donation of toys in support of our annual "Toy Distribution" held on December 19th. Our clients were able to select a gift for each of their children in our very own "Toy Shop". Their toys were gift-wrapped and our clients left with books, stuffed animals, stocking stuffers and treats.

We know your generosity made a difference for the clients and their children during this holiday season. The Pantry volunteers are dedicated in meeting the needs of hungry people right here in the West San Fernando Valley. The Pantry counts on the generous toy and food donations from schools, organizations, congregations and temples like yours!

It is through your kindness and charitable nature that the West Valley Food Pantry is able to continue to make the holidays a little brighter for the unemployed and "working poor" residing in the Valley whose monthly incomes do not cover their expenses let alone holiday gifts for their children.

Again, we thank you for your support and it is our hope that we may count on you during the next holiday season. May you have a wonderful New Year!

Warmest Regards,

Lori Malingagio, Joanne Kim and Kelly Berka
